INTRODUCTION

The R. L. Polk Directory Co.'s Colorado Springs, Colorado City and Manitou City Directory for 1912 is herewith presented. The publishers have endeavored to give the citizens and public in general a "Directory that Directs" and feel confident that the work will be found as nearly correct as a publication of this kind can be made.

CONTENTS.

The information embraced in the Directory is of a most complete and varied character. It contains a list of the citizens, alphabetically arranged, telling their business, location of business and residence. It gives the style of the firms and of the individual partners. It contains a Classified Business Directory, exclusively devoted to commercial and professional life and listing under their proper classifications the names of those engaged in the different professions and in every line of commercial financial and manufacturing enterprises. By referring to the Miscellaneous Information you may inform yourself of the development along the lines of religion, education and benevolent, social and secret organizations, for in this department churches, public and private schools, libraries, clubs, societies, fraternal, labor and benevolent orders are recorded. The condition of every department of the city and county government, banks, public and private institutions, commercial bodies, courts, public buildings, hospitals, parks, postoffice statistics and much other valuable information can be found. The Directory also gives a Street and Householders Guide, corrected to the latest possible date.

The Index to Miscellaneous Information will be found on page 12.

The publishers beg to extend their thanks for the courtesies that have been shown their representatives and for the liberal patronage bestowed upon the work.
